**Subject:** FMCV March 12 Telecom and Term Sheet Follow-up

Dear Mr. Sidney,

Thank you again for our telecom of March 12, 2018 to discuss your initial thoughts on the term sheet for the Administrative Order on Consent resolving Safe Drinking Water Act violations at the public water system operated by the First Mesa Consolidated Villages.

Attached is a revised Term Sheet that I think reflects our discussion. Please provide any comments and let me know if I have overlooked anything.

Let me know if there is anything else that I can provide to aid our on-going discussion. EPA is working on a draft AOC and is looking forward to sharing that with you and FMCV's attorney soon. Also, we are looking forward to the findings of FMCV's evaluation of alternative water options, as discussed on our March 12 telecom.

Thank you,

Hillary Hecht, P.G.
